GOOD FOR WOMEN

INNOVATIVE NUTRITION FORMULA

DAILY SUPPORT

TO SUPPORT HORMONAL BALANCE**

ACTIVE FOLATE

200 mcg

HAPPY PERIOD

Food supplement with micronutrients, Avocado, Coenzyme Q10 and Zinc.

Food supplement based on avocado with antioxidant and restorative action, with zinc that contributes to normal fertility, the protection of cells from oxidative stress and contributes to the regulation of hormonal activity.

HAPPY MOOD

Folic Acid, Vitamin D and Vitamin B12 intervene in the cell division process and in particular, Vitamin B6 and B12 also contribute to the reduction of tiredness and fatigue as well as normal psychological function.

Zinc, Vitamin B6, Folic Acid and Vitamin B12 contribute, furthermore, to the normal function of the immune system.

FERTILITY SUPPORT

Deavocado® • Folic Acid • Zinc*
• Coenzyme Q10 • Vitamin B6** • Vitamin D

Contributes to natural female fertility*

Supports female well-being

Contributes to the regulation of hormonal activity**

DAILY SUPPLEMENT TO SUPPORT FEMALE WELLNESS AND NORMALIZE HORMONAL BALANCE

ingredients

Bulking agents: cellulose, calcium phosphates; Deavocado® 100% Italian (Persea americana Mill., fermented fruit) powder; stabilisers: cross-linked sodium carboxymethylcellulose, fatty acids; coating (coating agents: hydroxy-propyl-methylcellulose, isomalt, cellulose, hydroxypropyl methylcellulose; dyes: calcium carbonate, starch, spirulina extract, medium chain triglycerides); Vitamin D (cholecalciferol); Zinc gluconate, Coenzyme Q10 (Co Q10), Vitamin B6 (pyridoxine hydrochloride), anti-caking agent: silicon dioxide, dyes: riboflavin; Folic acid (calcium i- methylfolate), Vitamin B12 (methylcobalamin).

nutritional table

Average contents for daily dose	1 tablet	% NRV
Deavocado® 100% FAP®	300 mg	--
Coenzyme Q10	10 mg	--
Zinc	1,5 mg	15 %
Vitamin B6	4,6 mg	329 %
Folic Acid	200 mcg	100 %
Vitamin D	25 mcg	500 %
Vitamin B12	12,5 mcg	500 %

NRV: daily nutrient reference value (adults) according to EU regulation n°.1169/2011

how to use

DOSE AND METHOD OF USE: 1 tablet per day to be taken with plenty of water.

WARNINGS: do not exceed the recommended daily dose. Keep away from children under the age of 3. Food supplements are not intended as a substitute for a varied and balanced diet and a healthy lifestyle.

Keep fully closed in a cool and dry place, out of direct sunlight and away from heat. The minimum shelf life refers to the product correctly stored, in an intact package.

DEAVOCADO

GOOD FOR WOMEN

INNOVATIVE FERTILITY NUTRITION

CONCEIVE INTENSIVE SUPPORT TO SUPPORT THE REPRODUCTIVE FUNCTION*

Food supplement with micronutrients, Avocado, Folic Acid, Myo-Inositol, Coenzyme Q10 and sweetener.

Food supplement with sweetener, with enhanced formula based on avocado with antioxidant and restorative action, with zinc* which contributes to normal fertility, normal reproduction and to the protection of cells from oxidative stress.

Folic acid, Vitamin D and Vitamin B12 act on the process of cell division and particularly Vitamin B6 and B12 contribute to the reduction in tiredness and fatigue.

Furthermore Zinc, Vitamin B6, Folic Acid and Vitamin B12 contribute to the normal function of the immune system. Coenzyme Q10 is a natural antioxidant, essential in cellular respiration.

Inositol is a stereo-isomeric compound that plays an important biological role of second messenger at the endogenous level. It participates in numerous metabolic, regulatory and cellular signalling processes.

Deavocado® • Zinc* • Folic Acid** • Myo-Inositol
• Coenzyme Q10 • Vitamin B6*** • Vitamin D

Contributes to natural, physiological female fertility and reproduction*
Supports the development of maternal tissues during pregnancy**
Contributes to the regulation of hormonal activity***

30 x 5g SACHETS | gluten free | lactose free

**BOOSTED FORMULA TO SUPPORT
PHYSIOLOGICAL FEMALE FERTILITY DURING PRE-CONCEPTION**

RECOMMENDED FOR:

- supporting natural conception
- supporting the artificial insemination processes
- disorders associated with insulin-resistance (PCOS)
- endometriosis

ingredients

Maltodextrin; Deavocado® 100% italian (Persea americana Mill., fermented fruit) powder; Myo-Inositol; flavour; acidity corrector: citric acid; anti-caking agent: silicon dioxide; Coenzyme (Co Q10); Vitamin D3 (cholecalciferol); Vitamin B12 (methylcobalamin); emulsifying agent: polyoxyethylene sorbitan monooleate; Zinc gluconate; sweetener: sucralose; Vitamin B6 (pyridoxine hydrochloride), Folic Acid (6S) -5-methyltetrahydrofolic acid, glucosamine salt).

Vitamin D	50 mcg	1000 %
Vitamin B12	12,5 mcg	500 %

NRV: daily nutrient reference value (adults) according to EU regulation n°1169/2011

how to use

DOSE AND METHOD OF USE: 1 sachet per day to dissolve in 150 ml of water. Mix well until powder is fully dissolved and drink. It should be taken three months before planning conception.

WARNINGS: do not exceed the recommended daily dose. Keep away from children under the age of 3. Food supplements are not intended as a substitute for a varied and balanced diet and a healthy lifestyle.

Keep fully closed in a cool and dry place, out of direct sunlight and away from heat. The minimum shelf life refers to the product correctly stored, in an intact package.

DEAVOCADO

GOOD FOR MEN

MOTILITY & FERTILITY NUTRITION

SEMEN SUPPORT

CELLULAR ANTIOXIDANT*
TO SUPPORT MALE FERTILITY

Food supplement with micronutrients, Avocado*, L-Arginine, Zinc, Maca y Coenzyme Q10. With sweetener.

Food supplement with concentrated formula based on avocado* which carries out a restorative and antioxidant action. Maca extract works as a tonic and is an excellent metabolic support.

The formula is completed by: Arginine, Coenzyme Q10, Zinc and Vitamins. Zinc contributes to normal fertility and normal reproduction, to maintaining normal levels of testosterone in the blood and protecting cells from oxidative stress.

Vitamin B6 contributes to the normal physiological function, the folate (in its (6S)-5 methyltetrahydrofolic acid source, glucosamine salt) contributes to the normal synthesis of amino acids and the normal function of the immune system together with Vitamin D, also indicated for maintaining normal muscle function.

Deavocado® • L-Arginine • Zinc** • Maca***
• Coenzyme Q10 • Methylfolate • Vitamin D

Contributes to normal fertility and normal reproduction**

Contributes to maintaining normal levels of testosterone in the blood**

Tonic useful in case of tiredness ***
